Dear Anthony,

My name is Sharon and I have recently taken over the Community Relations Coordinator role from Penny Wedesweiler.

I have been following up on the installation of your plaque on the upright bike you purchased for The Alfred's Physiotherapy Department through your wonderful fundraising.

The plaque is now on the bike and I have included some pictures to show you what it looks like. The staff at the Physiotherapy Department let me know that eventually the bike will be used in the new Burns Unit. We are planning to redevelop the current Burns Unit and hoping this will begin at the end of this year. Once this is finished, you are most welcome to come into the hospital and see the bike. Please let me know if you would like to do this and I will organise it for you.

Please don't hesitate to contact me on the below details if you have any questions or if you need anything else.

I look forward to working with you in the future. Thank you for your support of Alfred.

Kind regards,

Sharon Stapleton
